January, 2016

To the Parents and Guardians,

It's hard to believe that 2016 is already here. The staff at CGS has already been in the classrooms preparing for the students to return from Christmas Break. There will be many activities for the students to look forward to this semester. We will be having awards parties for 2nd nine weeks Accelerated Reader goal achievers in grades 3-5. Permission slips to attend various activities may be sent home with your student in the near future.

For school closings or late starts due to inclement weather, check your local radio and/or TV stations, and the district website at www.colbyeagles.org.

Be sure to call the CGS office at 460-5100 if you have a change of address or phone number. If you would like to take advantage of receiving district alerts through the "School Reach" information system, let us know and we'll direct you on how to get that set up.

If you have any questions, please call the CGS office at **460-5100**.

Sincerely,
Robb Ross
Colby K-8 Principal
